

The Angels Academy educational approach is founded on the principles and concepts of traditional education. The curriculum content for our Kindergarten and First Grade programs follow the 5-E model of lesson design. Classroom teachers follow the **Common Core Georgia Performance Standards (CCGPS)** in addition to the **A Beka Book** curriculum for Christian Schools. The curriculum, CCGPS performance standards, and teaching methods are well-organized, highly efficient, interesting, and challenging for our students. Our comprehensive curriculum addresses well defined learning goals and standards that provide students with opportunities to experience, learn, and build the fundamental skills necessary to succeed through high school and prepare for college and their future careers.

**Kindergarten Program – Scope and Sequence – Learning Objectives**

Program	Concept	Concept	Concept	Concept
Language Arts	Phonics and Reading Recognition - Rules	Writing – Formation Letters – Words - Name	Language Sentences - Letters	Spelling Poetry Memory
Mathematical Units	Numbers-Counting-Recognition	Geometry Sequences	Measurement – Number Values	Technology Standards
Science and Sensory	Science Principles	Physical Science - Senses	Earth Science - Weather	Life Science - Seasons
Social Studies / Geography	Community Helpers	American History	Geography - History	Civics and Government
Music / Arts & Crafts	Personal Skills Development	Arts Skills Development	Creative Arts and Music	Motion and Motor Skills
Social & Personal Health	Character Building	Nutrition – Meal Management	Personal Health Habits	Visual Perception - Listening
Physical – Safety - Manners	Personal Matters – Bible Study	Physical Safety – Motor Skills	Cognitive – Skills Development	Personal Fitness - Activities
Advanced – Gifted	Communication and Reading Skills	Problem Solving – Math Skills	Science and Sensory Skills	Creative Arts - Development

**First Grade Program – Scope and Sequence – Learning Objectives**

Program	Concept	Concept	Concept	Concept
Language Arts	Phonics and Reading Groups	Writing – Formation Seatwork Practice	Language Complete Sentences	Spelling and Poetry
Mathematical Units	Number Relationships Addition - Subtraction	Unit Fractions Concept of Multiplication	Measurements Metric Measures	Technology Standards Computer Lab
Science and Sensory	Health and Human Biology	Physical Science - Energy	Earth Science - Discovery	Life Science – Plants/Seasons
Social Studies / Geography	This Is my America	This is my World	Geography - History	Civics and Government
Music / Arts & Crafts	Skills Development	Creative Arts and Music	Development of Art Techniques	Motion and Motor Skills
Social & Personal Health	Character Building	Nutrition – Meal Management	Visual and Listening Perception	Personal Health - Habits
Physical – Safety - Manners	Personal Matters Bible Study	Cognitive Skills	Physical Safety Individual Motor Skills	Personal Fitness Playground Activities
Advanced – Gifted	Communications Reading Skills	Science and Sensory Skills	Problem Solving Math Skills	Creative Arts Personal Development
